1. RM & FCA authorized off-site hours for 1900-55, invoices, and ordering services/supplies. Please provide 1900-55 electronically to OSC for review when off-site. 1900-55 can be compiled in date ranges when verbally authorized by OSC.
2. T&D Coordinator authorized Off-Site hours to support T&D shipments. Ensure that all shipments of material made it to US Ecology in Michigan along with copy of final manifest.
3. Please coordinate with OSC Daly & OSC Lisichenko to schedule RM & Technician site visit to take down electric pole in Area 4 and stage in Warehouse #3.
4. Individual crew members may work different positions within a work day depending on need (For example an operator could work as a carpenter one day).
5. Overtime is approved by OSC.

OSC needs to be notified when off-site hours worked & for what specific task. **Extended work hours authorized as needed by the OSC and will be listed in next DWO.**

I certify that the above work is ordered and authorized by the contractor in the performance of the above cited delivery order.

I acknowledge receipt of this work order
